Date.....

Dear Sir/Madam,

**RE: SEEKING FINANCIAL SUPPORT TOWARDS THE UPCOMING RUGBY TOURNAMENTS.**

Tooro Lions Rugby Football club is a registered community based organization that was founded by Miss Nyangoma Norah Traton in Fort Portal tourism city, Rwenzori region with an objective of availing the youth with more diverse options in sport. Sport being a powerful and healthy tool that channels youth energies into meaningful pursuits made this all the more imperative. It is a registered member of Uganda rugby Union since 2020 and has been operating in the community since 2016 with the majority of players from schools like Nyakasura Secondary School, St Leos College Kyegobe, Kyebambe Girls School, Fort-Portal College of Health Sciences, Kichwamba Technical College, Mountains of the Moon University, Uganda Pentecostal University etc.

The club has successfully participated in both the 2021 western regional rugby 7s as well as the recently concluded regional 15s tournaments finishing second overall. A good performance across these tournaments with notable improvements from the players (many of whom were only recently introduced to the sport) has solidified our status as a force to reckon with in the west and our sights are set on the upcoming regional rugby 7s tournament that begins later this year. Our performance has also enabled us to get invited to play in the 2<sup>nd</sup> edition of the Big Ants Sevens that will be in Kigali (11<sup>th</sup>-12<sup>th</sup> June 2022).

Seeing as our goal is to positively impact the youth in the community, tournaments like these play a small yet significant part in furthering this objective since they present a unique opportunity for a wide range of youthful participants looking to make their mark in the sport.

As a club, we seek your financial support that will ensure that the team's needs are taken care of during these tournaments.

We appreciate your support.

Kindly refer to the attached budget on the next page.

Best Regards,

Ms. Nyangoma Norah Traton

Chairperson, Tooro Lions Rugby Club.
