### CHRISTMAS & END OF YEAR MESSAGE TO THE NATION

#### Fellow Ugandans,

Greetings in the name of Our Lord and Saviour Jesus Christ.

We thank God for His Grace that has brought us this far and commiserate with those who have lost their loved ones. As we approach the end of year 2023, I extend my heartfelt wishes to all Ugandans and wish you a Merry Christmas filled with love and blessings.

As you travel to different destinations to celebrate with your loved ones, I encourage you to observe traffic rules to avoid accidents. I thank our security agencies for fostering peace and stability both in Uganda and across East Africa. I express gratitude to every Ugandan who has contributed tirelessly to the social – economic development of our nation. Your hard work and commitment to pay taxes has enabled our country to move forward.

In a special way, I salute His Excellency, the President for his leadership that has seen the expansion of the East African Community (EAC) from six to eight member states. In welcoming Somalia and the Democratic Republic of Congo into the EAC family, this move enhances regional integration and collaboration for our shared goals and aspirations. In the same spirit, we wish our brothers and sisters in the DRC, a peaceful and successful election as they go to the polls today.

In recognizing the urgency of addressing climate change, I urge everyone going back to their villages to actively participate in tree planting initiatives. Each tree planted during this festive season is a step towards a sustainable future. I encourage us to remain vigilant and be security conscious during this festive season.

I therefore decree and declare God's blessings upon you all and wish you a prosperous 2024.

Dr. Moses Odongo
